### To the Insured

This document provides a summary of the cover provided under the Policy purchased. It does not contain the full terms and conditions of the Policy and you should therefore read this summary in conjunction with the full Policy wording which is available upon request from Property and Land Information Ltd (INDEX) to ensure you are fully aware of the terms and conditions of the cover provided.

**The Underwriter of this Policy is:-**Stewart Title Limited ('ST') of 6 Henrietta Street, 3rd Floor, Covent Garden, London WC2E 8PS ('ST's address').

**The Policyholder is:-**Index Property Information, 1-3, Langham Barns, Langham Lane, Langham, Colchester, Essex, CO4 5ZS('Index') (including all franchisees of Index)

### Summary of insurance and cover provided by this Policy.

If you are a Buyer (as defined by the Policy) who has requested or has been provided with a personal local search provided by INDEX ('the Search') or if you are a lender to the Buyer or are lending in a remortgage this is an indemnity policy relating to the Search. Cover applies where you suffer a loss covered by the policy and described later in this document because you have relied upon information given in a search carried out by Index but that information is actually incorrect due to an error or omission on the part of the Local Authority providing the information to Index AND you claim arises at a time when Index is no longer a trading entity and so has no Professional indemnity cover to cover your claim. For the avoidance of doubt you cannot make any claim under this policy whilst Index is a trading entity and/or holds any Professional Indemnity Insurance for its or the Local Authority's errors whether or not that insurance policy meets your claim or not

The losses covered by the policy are as follows:-If you are a Buyer cover is for the difference in market value of the Property with and without the adverse entry( this term is as defined in the policy) as at the date of the Search, or any damages or costs you incur in altering or demolishing the property or any part of it because of enforcement action or threat thereof by the local planning authority, and/or any other costs incurred to mitigate the effect of the adverse entry. If you are a Lender the cover is for the Deficit you suffer as a result of the adverse entry. The Maximum Liability is the lesser of the purchase price in the case of a purchase or the mortgage advance in the case of a remortgage scenario, or £2million.

**Key features or benefits under this Policy.** This is an indemnity insurance policy the purpose of which is to protect you so that you are reimbursed with the financial loss referred to herein which you incur. Subject to the terms and conditions of the Policy the cover seeks to put you back in the same position you were in prior to the claim. There is a Maximum Liability which we will pay and this is explained in the Policy.

### Key Conditions and Exclusions.

#### Key conditions:-

- You must notify us immediately of any adverse entry which comes to your attention and co-operate fully with all reasonable requests by us for information and documentation and shall, at our expense, take any action required by ST to mitigate any loss or potential loss arising as a result of the adverse entry.
- If you knowingly make a claim which is false or fraudulent in any respect the cover provided under this Policy shall become void with immediate effect.
- Any act or omission by you, which in whole or part induces a claim under this Policy, will prejudice your position and could void the Policy.
- You or your advisors should not take any steps to compromise or settle a claim without ST's prior written consent.
- It is a condition precedent to any liability on ST that the Insured and the Policyholder have observed the conditions and warranties of the Policy.

#### Key exclusions; you are not insured:-

- for any adverse entry known to you or your advisors at the date of cover or where you know the answer given is incorrect or
- For any losses covered by a household buildings insurance policy where, had the question been answered at the date of the search, there would have been no adverse entry.
- For any loss which is insured by any other policy of insurance whether or not that policy meets your claim
- For any claim made whilst Index is a trading entity

A full list of Conditions and Exclusions is contained in the Policy.

### What is the Policy term?

There is no fixed term –the Policy continues until you are no longer the owner or when the mortgage is redeemed.

**Updating the cover.**ST can consider requests to increase or extend cover. ST will not however provide advice thereon or recommend how you should proceed. You will need to make your own decisions about how to proceed and we recommend that you seek advice from your advisor and/or the Policyholder.

### Rights of cancellation.

You have a right to cancel the contract within 14 days of its commencement or receipt of the Policy whichever is later. Where performance of the contract has commenced at your request before expiry of the cancellation period we may require you to pay for the cover actually provided in connection with the Policy. The amount will be in proportion to the extent of the cover already provided to you in comparison with the full coverage of the contract.

### Claims under this Policy.

If you wish to notify a claim under this Policy, please contact us in writing immediately you become aware of the claim with as much detail as is available for the attention of the Company Solicitor at ST's address.

### What if you have a complaint?

If you wish to register a complaint, please contact us by writing to 'The Company Solicitor'at ST's address or, if you are not satisfied with the response, to the Financial Ombudsman Service whose current address is in the Policy.

**The Financial Services Compensation Scheme (FSCS)**We are covered by the FSCS. You may be entitled to compensation from the scheme if we cannot meet our obligations. This will depend on the type of business and the circumstances of the claim.
